ANNUAL REPORT

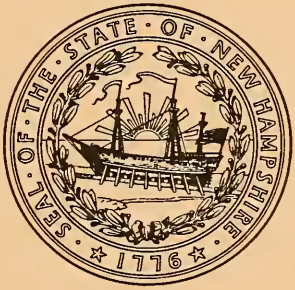
for the

Town

of

DANBURY

New Hampshire



For the Fiscal Year Ending

DECEMBER 31, 2000

Printed by F. M. Piper Printing, LLC
Franklin, New Hampshire

We proudly dedicate this issue
of the Danbury Town Report to

RICKY MORAN (1954–2001)

Highway Department employee since 1992
Road Agent 1995

Ricky was a very hardworking man, someone who was always available to anyone who needed a helping hand—he was a friend to all.

Ricky's dedication to his work was such that he insisted on staying on the job long after he should have been guarding his own health. His records of achievement are many: Senior Road Scholar through the University of New Hampshire Technology Center; 1997—2nd place Wing Slalom Plow Team, Canaan Region; 1999—1st runner-up Backhoe Operator Hands-on Operation, Hopkinton Region; 2nd runner-up Backhoe Operator, State Championship; 1st place Hopkinton Region Championship Team; 1st runner-up Hopkinton Region, Knowledge Evaluation; as well as his completion of many training seminars to increase his knowledge of policy and procedure.

He was justly proud of the new Danbury Highway Garage which will be dedicated to Ricky as soon as a plaque can be made. Ricky's legacy after far too short a time on this earth is family, faith and freedom and the love and respect of all of his friends and neighbors.

GOD BLESS YOU, RICK

2000 SELECTMEN'S REPORT

One of Danbury's major strengths continues to be its people.

This year we have chosen to dedicate our Town Report to our former Road Agent, Ricky Moran, for his hard work and dedication.

The members of the planning board must be recognized for their months of hard work, resulting in the adoption of the Floodplain Development and Telecommunications Ordinances at the special town meeting on September 20, 2000. This board's Transportation Improvement Application for improvements to the town common, intersection of Routes 4 and 104, North Road and High Street, and the creation of a sidewalk pathway to the Danbury Elementary School received high marks from the Lakes Region Planning Commission's review committee. This is a first step toward funding these activities through the New Hampshire Department of Transportation.

Justin Welles of our highway department placed first in the Municipal Backhoe Championship, Canaan Division, on September 21st. This competition was held by the New Hampshire Municipal Association in various regions throughout the state. Tom Austin, our Deputy Fire Chief, received Firefighter of the Year Award given by the Lakes Region Business Women's Association on November 15, 2000.

We are also grateful to the group of volunteers that assisted Town Clerk, Sylvia Hill, with the records preservation project.

If you have traveled along the North Road near Riverdale Cemetery in the past year, you would have noticed the magnificent stone wall constructed there by Noel and Andy Phelps. It certainly adds to the beauty of the cemetery and to the greater Town Square.

There has been a dynamic increase in the use of our community center, thanks in large measure to the Board of Directors, Debbie Phelps and Kathy Colby.

We wish also to recognize the members of the Andover Lions Club for their very generous gift of the "Jaws of Life" for the Fire Department.

Public recognition cannot be complete without mentioning the 125th birthday of the Blazing Star Grange #71. This organization has a rich history of dedicated service to our community. The selectmen are sincerely grateful for receiving the Grange's "Citizen of the Year" award on December 16, 2000. Please take a moment when visiting the town offices to look at the award plaque hanging in the hallway.

Many of you took the opportunity to attend the Independence Day open house at the new highway garage. Refreshments were served and people also had a chance to see our new fire truck and fast squad vehicles. There will be a dedication of the highway garage this summer once a sign honoring Ricky Moran is made.

At the last town meeting, townspeople voted to put $10,000 aside in a property assessment capital reserve fund. This year, you will be

asked to approve an appropriation to fully fund a town-wide property assessment. Earls & Associates of Concord has been awarded the contract to begin work this spring subject to your approval on March 15th. This company has four fully-certified assessors formerly employed by the NH Department of Revenue Administration. It is anticipated that this activity will be completed prior to mailing second half tax bills.

Finally, this Board and the Danbury Budget Committee are working hard to minimize the impact of year 2001 budgets on taxpayers. However, as of the writing of this report, Merrimack County's' proposed budget includes a 22% increase over last year, and it is anticipated that the school budget for the coming year will include a 16.7% increase. This will result in a $2.02 per thousand-dollar increase on your tax bill for schools. Additional monies may be needed once a teacher contract is ratified.

Thank you all for your hard work and we look forward to working with you throughout this year as well.

Respectfully submitted,
Steven D. Gordon
James M. Larkin
Alfred S. Reed
Selectmen, Town of Danbury

2000 DANBURY TOWN MEETING MINUTES

Tuesday, March 14, 2000 polls were open from 11 A.M. to 7 P.M. at the Town Hall for Election of Town Officers and Newfound Area School District Officers and Official Warrant Ballot.

Town Meeting reconvened for the Business Meeting on Thursday March 16, 2000 at the Town Hall to vote on the posted warrant.

Meeting was called to order by Moderator, Matthew Denton, with the pledge of allegiance to the flag. Chairman of the Board of Selectmen, Steven Gordon, addressed the meeting with a thank you to all of the many volunteers in town. A special thank you to retiring Supervisor of the Checklist, Dorothy McGonnigal, who is retiring after sixteen years of service. An announcement was made that there will be an open house when the new town garage has been completed by Carl Huntoon and Stanley Phelps. In addition, he recognized outgoing Police Chief Steven Corsetti for his 20 or so years of service to the community and the improvements to the department over that period.

1. To vote on all items appearing on the official ballot.

Moderator, Matthew Denton, announced the results of Tuesday's voting:

There were 388 voters, a 55% turnout of the 704 voters now on the checklist. The following Town Officers were elected:

Selectman, 3 yrs. ..... James M. Larkin

Moderator, 2 yrs. ..... Matthew L. Denton

Treasurer, 1 yr. ..... Christie Phelps

Tax Collector, 1 yr. ..... Sylvia Hill

Town Clerk, 1 yr. ..... Sylvia Hill

Road Agent, 1 yr. ..... Ricky L. Moran

Chief of Police, 1 yr. ..... Douglas C. Colby, Jr.

Auditors, 1 yr. ..... Leo V. Zaccaria & Janet Moulton

Cemetery Trustee, 3 yrs. ..... Jeremy Martin

Library Trustee, 3 yrs. ..... M. Mary Quinn

Mun. Budget Committee 3 yrs. ..... James Phelps & John Moulton

Mun. Budget Committee 2 yrs. ..... Tricia Taylor

Mun. Budget Committee 1 yr. ..... April Gness

Planning Board Member, 3 yrs. ..... Steven W. Whitman & Donald Buebendorf

Recreation Committee Member, 2 yrs. ..... Gordon Ordway, Jr.

Supervisor of the Checklist, 6 yrs. ..... Martha R. Plaisted

Trustee of Trust Funds, 3 yrs. ..... Sue-Anne Bourbeau

Newfound School District Officers:	*Danbury*	*Newfound District*
School Board, Danbury, 3 yrs.	Wade Heberling	Wade Heberling
School Board, Groton, 3 yrs.	Antonio Tavares	Antonio Tavares
School Board, Hebron, 3 yrs.	Mary E. Campbell	Mary E. Campbell
School Budget, Danbury, 3 yrs	Jon Johnson	Jon Johnson
School Budget, Groton, 3 yrs.	William H. Oakley	William H. Oakley
School Budget, Hebron, 3 yrs.	Elizabeth S. Gabler	Elizabeth S. Gabler
School District Moderator, 1 yr.	Edward M. (Ned) Gordon	Edward M. (Ned) Gordon

The Newfound School District Warrant was approved district-wide with the exception of Article 2, New Hampton School Addition. Although all the other articles passed district-wide, Danbury's voters did not support Article 5, NATA Teacher Agreement; Article 6, Authorization for a Special Meeting if Article 5 failed; and Article 9, Operating Budget, which would have reverted to last year's amount if not passed overall by the district towns.

2. To see if the Town will vote to raise and appropriate the sum of $655,136.00 which represents the operating budget. Said sum does not include special or individual articles to be addressed. (Recommended by Budget Committee $655,136.00; recommended by Selectmen $633,903.00).

   Motion made by Steve Gordon to adopt article, seconded by Sylvia Hill.

   There was a request from the floor to review and discuss the budget line by line.

   Motion made by Twila Cook, seconded by Christopher Euerle, to change the amount of the operating budget to the amount recommended by the Selectmen $633,903. Amendment passed after more than an hour of discussion.

   Motion made by James Phelps, seconded by Steve Gordon to amend property valuation by reducing the amount from $3,000 to $2,000. Amendment passed.

   Motion made by James Phelps, seconded by Lynne Zaccaria to reduce legal expenses to $3,000. Amendment defeated.

   Motion made by James Phelps, seconded by Christie Phelps to reduce personnel administration by $2,000 to $31,569. Amendment passed.

   Motion made by Jim Phelps, seconded by Stanley Phelps to reduce general government buildings by $5,000 to $20,315. After discussion, and offer by Stan Phelps to put in concrete instead of bluestone on the ramp behind the Community Center,

   Motion made by James Phelps, seconded by Tammy Phelps to change amendment requested to a reduction of $4,000 to $21,315. Amendment passed.

Motion made by James Phelps, seconded by Dale Cook to reduce Parks & Recreation by $2,000 to $15,550. Amendment defeated.
Motion made by Sylvia Hill, seconded by Jim Phelps to increase Election, Registration & Vital Statistics by $125 for payment to Supervisors for preparation of checklists. Amendment passed.
Article 2 was moved and passed as amended with a total of $627,028.

3. To see if the Town will vote to establish a Property Assessment Capital Reserve Fund and authorize the Selectmen to disburse funds without further action at Town Meeting and further to raise and appropriate the sum of $10,000.00 to be placed in this fund. (Recommended by Budget Committee; recommended by Selectmen)
Motion made by Steve Gordon, seconded by Phyllis Taylor to pass Article 3.
Motion carried, Article 3 was adopted.

4. To see if the Town will vote to raise and appropriate the sum of $22,200.00 as Danbury's share of the relocation of the Lakes Region Mutual Fire Aid facility. (Recommended by Budget Committee; recommended by Selectmen)
Motion made by Steve Gordon, seconded by Tom Austin to pass Article 4.
Motion carried, Article 4 was adopted.

5. To see if the Town will vote to raise and appropriate a sum not to exceed $80,000.00 for the purchase of a new, fully-equipped truck to be used by the Highway Department. The vehicle is to be paid for in the following manner: $10,000.00 to be withdrawn from the Highway Equipment Capital Reserve Fund, $5,000.00 to be raised by taxation and to issue a long-term note in the amount of $65,000.00 for a period of five years and to authorize the Selectmen to issue and negotiate such note and to determine the rate of interest thereon. Two-thirds ballot vote required (Recommended by Budget Committee; recommended by Selectmen)
Motion made to adopt Article 5 by Steve Gordon, seconded by Tammy Phelps.
Motion made by Jon Schurger, seconded by Don Buebendorf to amend Article 5 to read " To see if . . . interest thereon; further, a truck committee shall be established to study the purchase and the specifications thereof consisting of the Road Agent, Don Ford, Lee Ford, Noel Phelps, and Carol Macuch.
Amendment failed by voice vote.
Article 5 was adopted by ballot vote of 72 YES, 11 NO.

6. To see if the Town will vote to raise and appropriate the sum of $5,000.00 to be placed in the Highway Equipment Capital Reserve Fund. (Recommended by Budget Committee $8,000.00; recommended by Selectmen, $5,000.00)

Motion made by Steve Gordon not to consider Article 6, seconded by Jim Phelps.
Motion not to consider carried. Therefore, Article 6 failed.

7. To see if the Town will vote to raise and appropriate the sum of $50,000.00 for the restoration of Walker Brook Road. (Recommended by Budget Committee; recommended by Selectmen)
Motion made to pass Article 7, seconded by Lynne Zaccaria.
Motion made by Jim Phelps, seconded by Stanley Phelps, to amend this article by reducing $50,000 to $25,000. Amendment passed.
Article 7 passed as amended.

8. To see if the Town will vote to raise and appropriate the sum of $1,000.00 for the NH Association of Chiefs of Police to conduct a thorough management review and community needs assessment of the Danbury Police Department. This is a non-lapsing appropriation. (Recommended by Budget Committee; recommended by Selectmen)
Motion made by Steve Gordon, seconded by Jim Phelps to pass Article 8.
Article 8 was passed as read.

9. To see if the Town will vote to raise and appropriate the sum of $2,000.00 to be placed in the Police Department Capital Reserve Fund. (Recommended by Budget Committee, $3,000.00; recommended by Selectmen, $2,000.00)
Motion made by Duke Reed, seconded by Don Buebendorf to pass Article 9.
Article 9 was passed as read.

10. To see if the Town will vote to raise and appropriate the sum of $2,000.00 to be placed in the Bridge Capital Reserve Fund. (Recommended by Budget Committee; recommended by Selectmen)
Motion made by Duke Reed, seconded by Jon Schurger to pass Article 10.
Article 10 was passed as read.

11. To see if the Town will vote to raise and appropriate the sum of $15,000.00 to be placed in the Fire Department Radio Capital Reserve Fund. (Recommended by Budget Committee; recommended by Selectmen)
Motion made by Steve Gordon, seconded by Donald Haynes to pass Article 11.
Motion made by Jim Phelps, seconded by Eddie Luke Phelps to reduce Article 11 by $10,000 to $5,000. Amendment passed.
Article 11 passed as amended.

12. To see if the Town will vote to raise and appropriate the sum of $2,000.00 to be placed in the Records Preservation Capital Reserve Fund. (Recommended by Budget Committee; recommended by Selectmen)
Motion made by Sylvia Hill, seconded by Linda Wilson to pass Article 12.
Article 12 passed.

13. To see if the Town will vote to appropriate, from the Unreserved Fund Balance, the amount of $1,250.00 to be placed in the Fire Department Capital Reserve Fund. This money represents the proceeds from the sale of the old rescue vehicle. (Recommended by Budget Committee; recommended by Selectmen)
Motion made by Steve Gordon, seconded by Tom Austin to pass Article 13.
Article 13 passed.

14. To see if the Town will vote to raise and appropriate the sum of $5,000.00 to help defray the operating costs of the Danbury Community Center. (Recommended by Budget Committee; recommended by Selectmen)
Motion made by Audrey Pelligrino, seconded by Linda Wilson to pass Article 14.
Article 14 passed.

15. To see if the Town will vote to establish a Planning Board Capital Reserve Fund for the purpose of conservation and preservation; authorize the Selectmen to disburse funds without further action at Town Meeting and to raise and appropriate the sum of $100.00 to be placed into this fund. (Recommended by Budget Committee; recommended by Selectmen)
Motion made by Linda Wilson, seconded by Nancy Reed to pass Article 15.
Article 15 passed.

16. To see if the Town will vote to raise and appropriate the sum of $8,000.00 for the purchase of a fuel tank with appropriate pump, hookups, etc., for the Highway Department. This is to be a non-lapsing appropriation (Recommended by Budget Committee; recommended by Selectmen)
Motion made by Steve Gordon, seconded by Christie Phelps to pass Article 16.
Article 16 passed.

17. To see if the Town will vote to raise and appropriate the sum of $4,000.00 for the continued monitoring of the old Highway Garage underground tank site. (Recommended by Budget Committee; recommended by Selectmen)
Motion made by Steve Gordon, seconded by Jim Larkin to pass Article 17.
Article 17 passed.

18. To see if the Town will vote to raise and appropriate the sum of $2,500.00 for the purchase of a paper trailer for use at the Transfer Station. This is to be a non-lapsing appropriation. (Recommended by Budget Committee; recommended by Selectmen)
Motion made by Steve Gordon, seconded by Jim Larkin to pass Article 18.
Article 18 passed.

19. To see if the Town will vote to send the following resolution to the New Hampshire General Court: *Resolved, New Hampshire's natural, cultural and historic resources in this town and throughout the state are worthy of protection and, therefore, the State of New Hampshire should establish and fund a permanent public/private partnership for the voluntary conservation of these important resources.* (By petition)
    Motion made by Linda Wilson, seconded by Lynne Zaccaria to pass Article 19.
    Article 19 passed.

20. To see if the Town will vote to raise and appropriate the sum of $1,200.00 for a Municipal Geographic Information System (GIS), a computer-based software package that will allow citizens, town boards and staff to view and analyze mapped data. It will provide access to layers of information such as soils, slope, water resources, roads and parcel data mapped by Cartographic Associates and information from the state-wide database for the purpose of planning and pollution prevention. (By petition) (Not recommended by Budget Committee; recommended by Selectmen)
    Motion made by Linda Wilson, seconded by Phyllis Taylor to pass Article 20.
    Article 20 passed.

21. To see if the people of the Town of Danbury will vote to abolish the building permit ordinance requirement. (By petition)
    Motion made by John Moulton, seconded by Eddie Luke Phelps.
    Article 21 failed.

22. To see if the Town will vote to adopt an ordinance that "any person in the Town of Danbury, not within the jurisdiction of the State of New Hampshire, without license or permit may keep, hold, possess, store or deposit as many motor vehicles whole, pieces or parts, intended or not for use on a public roadway, as that person may deem necessary for any reason, with only two requirements.
    1. That the motor vehicles, whole, pieces or parts be screened by natural or man-made screening so that they cannot be seen other than by air view. Such screening must be a minimum of 8 feet high, not to exceed 12 feet high.
    2. That the fluids be removed or monitored as not to leak any chemical or hazardous material onto or into the soil.

    (This article presented by petition)
    Motion made by James Phelps not to consider Article 22, seconded by Steve Gordon.
    Article 22 not considered, failed.

23. To see if the Town will vote to amend the height Ordinance adopted on March 14, 1987, to read as follows:

    HEIGHT ORDINANCE: No building or structure, or part thereof, shall exceed thirty-five (35) feet in height as measured from the high point thereof to the average natural or graded permanent ground level at the wall of the structure nearest to the below said high point provided however that this provision shall not apply to television and radio antennas, lightning rods, cupolas, steeples, chimneys, utility poles or parts of buildings designed exclusively for agricultural uses, whose height shall not exceed one hundred (100) feet in height.

    Motion made by Wayne Maviki to pass over Article 23. No second to the motion.

    Motion made by James Phelps, seconded by Steve Gordon to pass Article 23.

    Article 23 passed.

24. To see if the Town will vote to authorize a moratorium on approval of building permits for telecommunications towers pending completion of a three-month study by the Town Planning Board and their proposal of comprehensive and specific telecommunications ordinances which shall be considered at a subsequent Special Town Meeting.

    Motion made by Eddie Luke Phelps, seconded by Phyllis Taylor to pass Article 24.

    Article 24 passed.

25. To see if the Town will vote to authorize the Town Planning Board to immediately organize and conduct a three-month study of the Town's telecommunications requirements in order to propose comprehensive and specific telecommunications ordinances which shall be considered at a subsequent Special Town Meeting.

    Motion made by William Egge, seconded by Nancy Reed to pass Article 25.

    Article 25 passed.

26. To see if the Town will vote to authorize the Town Planning Board to immediately organize and conduct a three-month study of the Town's land use requirements in order to propose comprehensive and specific Land Use Ordinances which shall be considered at a subsequent Special Town Meeting.

    Motion made by Donald Buebendorf, seconded by Nancy Reed to pass Article 26.

    Article 26 passed.

27. To transact any other business that may legally come before this meeting.

    Motion made to adjourn by Jon Schurger, seconded by Jim Phelps.

Motion passed. Meeting adjourned at 12:50 A.M., March 17, 2000.

In summary, Article 2, the budget, generated over two hours discussion followed by lively discussions on several articles. Of particular concern was the large increase in the budget just after the reduction for school funding; and, to many, was the fact that articles were placed on the warrant by the Selectmen regarding zoning after it has been turned down by voters for the past two years. The imminent growth of Danbury is of concern to the Selectmen, and they wished to have the voters aware of the potential effects of both the recently proposed communications towers and the probable reopening of the power plant in Alexandria, to see if the town wished to take any action.

The overall budget passed was $627,028 plus Warrant Articles of $171,250 for a total of $798,278 for the year 2000 compared to an overall appropriation of $599,432 for 1999.

The above is a certified copy of the minutes of Danbury's 2000 Annual Town Meeting.

Respectfully submitted,
Sylvia Hill, Town Clerk

MINUTES FOR THE TOWN OF DANBURY, NEW HAMPSHIRE SPECIAL TOWN MEETING September 26, 2000

Sylvia Hill
Town Clerk

1. Are you in favor of the adoption of the Telecommunications Ordinance as proposed by the Planning Board and presented to the Townspeople at a final hearing on Tuesday, August 22, 2000?
   153—YES 125—NO

2. Are you in favor of the adoption of the Floodplain Development Ordinance as proposed by the Planning Board and presented to the Townspeople at a final hearing on Tuesday, August 22, 2000?
   141—YES 136—NO
3. Are you in favor of the adoption of the Land Use and Zoning Ordinance as proposed by the Planning Board and presented to the Townspeople at a final hearing on Tuesday, August 22, 2000?
   121—YES 158—NO

A simple majority was needed to enact each of the above questions; therefore, the Telecommunications and Floodplain Ordinances passed, and the Land Use and Zoning Ordinance failed.

There were 279 voters resulting in a 39% turnout.

Respectfully submitted,
Sylvia Hill, Town Clerk

TOWN CLERK'S REPORT
January 1 through December 31, 2000

1,554	Motor Vehicle Permit Fees	$114,138
247	Motor Vehicle Title Fees	494
1,359	Municipal Agent Fees	3,398
323	Dog Licenses	2,054
53	Dog Penalties	124
22	Filing Fees	22
25	Vital Statistics	640
44	UCC's	754
159	Transfer Permit Stickers	159
44	Miscellaneous Income	308
3,830	Totals	$122,090

I hereby certify that the above return is correct, according to the best of my knowledge.

Sylvia Hill
Town Clerk

The year 2000 saw an increase of 7% in revenues, 5.5% in the number of cars registered, but 19% titles! Remember that any vehicles from 1989 forward are required to be titled—implementation of the change from 10 to 15 years is still in progress. A new motor vehicle law effective January 1, 2001 also requires that any vehicles that do not need to be titled (1988 or older) must have a bill of sale *plus* one of three documents: a previously issued NH registration not more than 30 days old; a valid Out of State Title (a NH Title requires additional documentation); or a Verification of VIN form which an inspection station, car dealer or police officer may complete for you after viewing the vehicle and number here in NH. Just a reminder—you may RENEW vehicles by mail. Just call for the amounts due and send with your checks and a self-addressed stamped envelope. Transfers, titles and the like still require a visit to the Town Hall. Any plate changes such as vanity plates, moose plates or swapping numbers may now be done only at renewal time. The new Conservation and Heritage "moose plates" are now available for an additional contribution in addition to your regular registration fees. Gift certificates are available for them. The new "dump stickers" are in and will be replaced at a cost of $1.00 per sticker as you renew your vehicles.

The number of dogs in town continues to grow. Remember they are due by April 30th and the law provides for a $25.00 forfeit if not licensed by June 1st! The vets are required by law to provide the rabies information to the town clerk, so don't delay just because you've mislaid the rabies slip. Lost license tags may be replaced for $1.

The Records Project is under way and I want to express a very big Thank You to all the volunteers that have helped thus far—Louise Huntoon (who also donated Town Reports for 1963, 1964 and 1966 so we now have a complete set), Sandra Puhlhorn, Mary Brownell, Linda Sargent, Ray Bill, Ed Roche, Gene Danforth, Phyllis Taylor, Gertie Smart and others who have helped in any way. Their assistance was invaluable as we worked with Peter Parker of the Inlook Group, identifying the town's records stored in the vault and upstairs. They are now documented as to what we have and where it is. In his words, we now house a "remarkably complete picture of the Town's 205 years." This will be an ongoing project which will include rehousing many documents in archival quality boxes as well as adding metal shelving and additional storage capacity with projections through 2020. Should anyone be cleaning their attic and run across items that may be old town records, please feel free to bring them by!

SUPPLEMENTAL SCHEDULE-MBA
RSA 32:18, 19 & 32:21

Total Amount Recommended by Budget Committee		$782,127
Less Exclusions:		
Principal, Long-term Notes and Bonds	$33,000	
Interest, Long-term Notes and Bonds	9,100	
Capital Outlays, Funded from Long-Term Notes	52,500	
TOTAL EXCLUSIONS		$ 94,600
Amount Recommended less Recommended Exclusion Amounts		$687,527
Line 6 times 10%		$ 68,753

AUDITORS' REPORT

We certify that we have examined the accounts of the Treasurer, Town Clerk, Tax Collector, Selectmen, Trustees of the Library and Trust Funds for the fiscal year 2000. We have found the same to be correctly cast and well vouched. The results of our audit will be forwarded to the NH Department of Revenue Administration as required by statute.

Leo Zaccaria
Janet Moulton
Auditors for the Town of Danbury

GEORGE GAMBLE LIBRARY REPORT

Hours: Saturday 12–4 P.M.
Wednesday 12–4 P.M. (April–October)

Librarian: Janet McGonnigle

Trustees: Mary Quinn, Anna Tanguay, Phyllis Wiggin

Sincere thanks go to the following people who have helped us keep the Library and its surroundings in tip-top condition: Andy Phelps, Frank Quinn and Jon Schurger. And a big thank you to Gertrude Smart for her years of service to the library.

The library was given a computer this year and our new Librarian, Janet McGonnigle, has started to put books into it and has completed over 2,000 to date. She is also covering all the books with plastic jackets in order to prolong their life.

Our winter hours will remain the same, Saturday from 12 noon to 4:00 p.m. We will start our summer hours, Wednesday 6:00 to 8:00 p.m., from the first of April to the last of October. These hours are conditional and if no one avails themselves of the service, we will have to discontinue Wednesdays.

We have several audio books available for loan.

We have a $1,000.00 Harry D. Perkins trust fund, the income from which is to be used for the purchase of travel books. There is a $5,000.00 Steven J. Ford trust fund, the income of which is to be used in support of the library.

GEORGE GAMBLE LIBRARY—BUDGET

2000 REPORT OF THE DANBURY PLANNING BOARD

The Danbury Planning Board thanks everyone who has attended our meetings and hearings, and shared ideas with us. All of our activities are open to the public; agendas are posted at the Town Hall, the Post Office, and the stores. The Planning Board met 30 times in 2000. It participated in three "preliminary conceptual consultations" with property owners; it approved one request for a lot line adjustment, and helped to resolve a long-standing boundary dispute. The annual capital improvements program (CIP) hearings for the 2000 annual budget were held in 1999, so no additional hearings took place in 2000. At Town Meeting in March the proposed Airport Zoning Ordinance did not pass; but the voters approved the board's requests to create a capital reserve fund for conservation and preservation projects. Voters also approved purchase of a Municipal Geographic Information System (GIS), a computer-based program for use of the town maps and full access to the statewide geographic map and database housed at the University of New Hampshire.

At the March Town Meeting, voters authorized the Planning Board to study the town's telecommunications and land use requirements, in order to propose ordinances to be voted on at a Special Town Meeting. In addition, based on those studies and on a presentation to the Selectmen by the NH Office of Emergency Management and the NH Office of State Planning, the board also prepared a flood protection ordinance. The Planning Board met almost weekly from March to mid-September for public working sessions on the ordinances, and held public hearings in June, July, and August. At the Special Town Meeting on September 26, 2000, the telecommunications ordinance was approved 153–125 and the floodplain development ordinance was approved 141–136; but the land use and zoning ordinance failed to pass, by a vote of 121–158.

The Lakes Region Planning Commission (LRPC), the NH Municipal Association, the NH Office of State Planning, and many other state agencies and organizations provided technical advice throughout the year. The NH Coalition for Sustaining Agriculture presented Danbury with a resource kit, Preserving Rural Character through Agriculture; if you would like to borrow the kit, leave a note in the Planning Board mail bin at Town Hall.

Phyllis J. Taylor again served as a Commissioner of the Lakes Region Planning Commission. Phyllis was re-elected Treasurer of the LRPC, and continued to serve on the LRPC Board of Directors and the Commission's Transportation Advisory Committee (TAC). Secretary Albert Hopkins, Jr. retired from the board at the end of his term, after many years of dedicated and much-appreciated service. Alternate Steve Whitman and Donald Buebendorf, M.D. were elected as new board members. Dale Cook continued as an alternate member; alternate Eddie

Luke Phelps resigned; and Attorney John Taylor became a new alternate. Mary Evans was hired to serve as Clerk. In addition, Mary and Secretary Debbie Phelps donated many hours of volunteer civic service to fulfill the board's responsibilities; and Christie Phelps in the Selectmen's Office and Town Clerk/Tax Collector Sylvia Hill were, as always, highly professional sources of cheerful support, thoughtful perspectives, and excellent assistance. Town Counsel Bill Egge provided legal guidance.

Planning Board members attended and offered testimony at public hearings on the proposed reactivation of the Alexandria power plant, and on NH Department of Transportation plans for Route 104 highway improvements and replacement of the Smith River Bridge on Murray Hill Road. We continue to have serious concerns about the impact of the power plant (which, it appears, will burn some wood chips and by-products, but mostly construction waste trucked in from other places) on Danbury's air and water quality and traffic congestion, and—because Danbury is downwind of the smokestack emissions plume—the health of our townspeople. Since the plant is in another town, and our town has no land use and zoning ordinance to guide growth and prevent pollution, Danbury lacks the ability to defend the town from inappropriate development associated with the power plant, other industrial development near the site, and related transportation impacts in and through Danbury.

As noted in previous Planning Board reports, according to the Master Plan, if the developable land in Danbury were built out, allowing two acres per housing unit, there could be over 5,000 more houses, and almost 10,000 more people for the town to accommodate. Rural Danbury would be transformed into a city! Because residential development pays less in taxes than it costs in services and school expenses, taxes would go up, not down, as studies throughout New Hampshire demonstrate. Even commercial and industrial development, which at first seem to have a lesser impact on the tax base and municipal services, tend to draw more workers to live in town over time, thus reducing any long-term tax benefits. In contrast, open space and working lands require fewer services, save taxes, and literally grow the state's economy. Both research and experience demonstrate that a local economy and land use system based on forestry, farming, and recreation—which Danbury still enjoys—provide a rewarding quality of life for residents and visitors, and minimizes the need for the kinds of expensive municipal services that are necessary in more developed communities.

Respectfully submitted,
Linda Ray Wilson, Chair
Danbury Planning Board

DANBURY POLICE DEPARTMENT ANNUAL REPORT

First of all, I would like to begin by thanking the voters of Danbury for electing me as your Chief of Police. My training as a part-time police officer was completed in June. Other officers in the department are Norm Daigneault, Andy Ware, Dale Cook and Noel Lopez. I feel that the town has very good coverage from the Danbury Police Department.

This year, the average coverage per week was 130 hours. We had 200 patrols out in 2000, covering everything from vacant house checks to traffic control. For those who may not have seen me as much as you would have thought, I was out more during the evening and early morning hours. You would be surprised how much happens from 6:00 P.M. TO 6:00 A.M.

The following is a quick summary of this past year.

Burglaries	9
Accidents	4
Domestics	5
Controlled Substance	3
Court	9
VIN Checks	7
Juveniles	18
DUI	1

There were many other calls for service, but these are the most significant items. It should be noted that approximately 290 hours of community services were performed during the year.

Again, I would like to express my appreciation to the residents of Danbury for placing their confidence in me. I hope to serve the town for many years to come.

Thank you,
Douglas Colby

The Police Department can be reached at 768-5568, which is covered by an answering machine. Until such time as I am no longer chief, you may also reach me at home at 768-3984.

For emergencies, please dial 911.

2000 FIRE COMMISSIONER'S REPORT

The year 2000 brought the addition of hydraulic auto extrication tools, a.k.a. Jaws of Life. This was thanks to donations received from townspeople, our annual turkey dinner and the Andover Lions Club. Thank you! Currently the department is coordinating a school bus extrication training for this spring. A school bus has already been donated to the department.

Calls for the year 2000 were as follows:

Structure Fires	1
Chimney Fires	3
Car Fires	2
Forest/Grass	4
Electrical	1
Motor Vehicle Accidents	11
Medical Calls	94
Haz-mat	1
Service Calls	?
Alarm Activations	5
Mutual Aid	7
Wires Down	1
Total Calls	145

The department is always looking for people over the age of 18 who are interested in the Fire or Emergency Medical Field. Interested persons should contact a member.

To report a Fire or Medical emergency, please dial 911.

LAKES REGION PLANNING COMMISSION

LRPC, with a service area covering over 1,200 square miles in Belknap, Carroll, Grafton and Merrimack Counties, is one of nine regional planning agencies established by state statute. Our goal remains to provide support and leadership to the region, its governments, businesses and citizens.

A few of our accomplishments over the past year that affect Danbury are:

- Provided information on the availability of grants for fire department radio equipment.
- Created a base map with hydrology, roads and road names for use at planning board meetings.
- Ordered and delivered 1999-2000 Planning Land Use Regulation books at considerable savings.
- Co-hosted and organized Municipal Law Lecture Series.
- Updated the Region's Transportation Plan.
- Held frequent meetings of the Transportation Technical Advisory Committee.
- With NHMA, organized workshop of Planning Board Basics.
- Coordinated 15th annual Household Hazardous Waste Collection.
- Prepared and released annual report on Development Trends in Lakes Region. Over 92% of all development in the region remains residential.
- Prepared an assessment on how to regulate home occupation through zoning ordinances.
- Represented local interests on the policy boards of area economic development councils.
- Performed approximately 130 traffic counts around the region.
- Provided support to the Pemigewasset River Local Advisory Committee.
- Cosponsored a regional meeting on the federal & state flood insurance program.
- Expanded the digital, regional land use database, 21 towns are now complete.
- Completed and submitted the Lakes Region Tour Scenic Byway Plan.
- Convened four area commission meetings that focused on transportation, historic preservation, Main Street and groundwater.

We look forward to serving Danbury in the future. Feel free to contact the LRPC at 279-8171 for additional information or assistance.

PEMI-BAKER SOLID WASTE DISTRICT

The Pemi-Baker Solid Waste District committee met seven times during the 2000 calendar year. In 2000, the District continued its support of proper household hazardous waste management by coordinating the District's one-day collection in September and the year-round collection of paint and fluorescent light bulbs. The District also negotiated a new five-year extension for waste disposal with North County Environmental Services (NCES) of Bethlehem effective May 1, 2001.

The one-day household hazardous waste collection saw the District collect and dispose of over 3000 gallons of hazardous material and service approximately 165 households in the region. District towns also recycled over 2000 gallons of paint and 5000 feet of fluorescent light bulbs that were collected at transfer stations throughout the year. The District received a grant from NHDES totaling $4,161.50 to help offset part of the costs of these programs. The District will once again sponsor and coordinate these programs in 2001.

2000 also saw the District negotiate a new five-year extension with NCES, allowing District towns to dispose of municipal solid waste (MSW) and construction and demolition debris (C&D) at the NCES landfill in Bethlehem, New Hampshire. The new contract price is one of the best, if not the best, in New Hampshire and gives all member municipalities access to an affordable disposal option. The extension runs through April 30, 2006.

In 2001 the District will continue to promote its cooperative approach to solid waste management. By working together, District communities can minimize the costs of such things as solid waste disposal, transportation, recycling and hazardous waste management. Citizens interested in participating in the development of the District's programs are welcome to attend the District meetings. Information regarding the place and time of the meetings is available at all municipal offices.

REPORT OF TOWN FOREST FIRE WARDEN AND STATE FOREST RANGER

There are 2,200 Forest Fire Wardens and Deputy Forest Fire Wardens throughout the state. Each town has a Forest Fire Warden and several Deputy Wardens who assist the Forest Rangers with forest fire suppression, prevention and law enforcement. The number of fires reported during the 2000 fire season was below average as referenced in the statistics below. Despite this, our network of fire towers and detection patrols were still quite busy with the first towers being first to report over 135 fires. These fires were quickly and accurately reported to the local fire department for their prompt and effective suppression efforts. Wildland fires occurring in areas where homes are situated in the woodlands are a serious concern for both landowners and firefighters. Homeowners can help protect their homes by maintaining adequate green space around them and making sure that houses are property identified with street numbers. Please contact the Forest Protection Bureau to request a brochure to assist you in assessing fire safety around your home and woodlands.

To aid your Forest Fire Warden, Fire Department and State Forest Ranger, contact your local Warden or Fire Department to find out if a permit is required before doing ALL outside burning. Fire permits are required for any open burning unless the ground is completely covered with snow where the burning will be done. Violations of RSA 227-l:17, the fire permit law and other burning laws of the State of New Hampshire are misdemeanors punishable by fines of up to $2,000 and/or a year in jail. Violators are also liable for all fire suppression costs.

There are eleven Forest Rangers who work for the NH Division of Forests and Lands, Forest Protection Bureau. Forest Rangers have investigated numerous complaints regarding violations of the timber harvest and forest fire laws, and have taken enforcement action to ensure compliance. If you have any questions regarding forest fire or timber harvest laws, please call our office at 271-2217, or for general information visit our website at www.dred.state.nh.us.

The State of NH operates 15 fire towers, 2 mobile patrols and 3 contract aircraft patrols. This early detection system and reports from citizens aid in the quick response from local fire departments. These factors are critical in controlling the size of wildland fires, keeping the loss of property and suppression costs as low as possible. Due to permitting and fire safety concerns, please contact your local fire department BEFORE using portable outdoor fire places and vessels, including those constructed of clay, concrete or wire mesh.

Please contact your local fire department before doing ANY outside burning.

Remember—only you can prevent forest fires!

BLAZING STAR GRANGE #71

"You only turn 125 once."

The year 2000 marked Blazing Star Grange's 125th anniversary. Blazing Star Grange was organized on December 9, 1875 and remains one of the state's most active Granges. Over 100 people braved wintry weather to join in the anniversary celebration. The day began at 2 P.M. with a social hour and light refreshments. An entertaining program included a slide show showing scenes from the entire 125 years. It was elaborated with skits, music and many historical notes.

A ham and home-baked bean supper was followed by a traditional barn dance played and called by Two Fiddles and The Bradleys. A raffle was drawn with winner's choice of $125 or 125 gallons of home heating oil. Second prize was a goodie basket with 125 items and third prize was 125 New Hampshire state quarters. All events were free, except for the raffle tickets, as the Grange's gift to the community.

The Grange presented a plaque to the Town of Danbury, which was accepted by Selectmen Steve Gordon and Duke Reed. It honors recipients of Blazing Star Grange's annual community Citizen Award and will be on permanent display at the town hall. New Hampshire State Grange Master, Dan Bascomb, presented awards to the Grange and spoke with high regard for the contributions and accomplishments of Blazing Star Grange #71.

Blazing Star Grange meets the 1st and 3rd Thursdays at 7:30 P.M. and welcomes new members. If you would like more information, call Master Donna Sprague at 768-5579 or Membership Chairman Marjorie Huntoon at 768-3666.

UNH COOPERATIVE EXTENSION

Merrimack County residents benefit from a wide range of Extension offerings, which include 4-H and youth development programs, monitoring water quality in our lakes and rivers, reducing the use of pesticides, land use management, food safety, forest stewardship, parenting programs, family finances, meeting the needs of low income families, strengthening our communities and developing a strong volunteer base while providing a wide range of information to citizens. This year, Extension expanded its public outreach with a toll-free Family, Home & Garden Info Line, staffed Monday through Friday, 9 A.M. to 2 P.M. (1-877-398-4769).

Extension staff provides education to forest landowners, food producers and plant growers that helps keep their enterprises profitable, thus preserving their land as open space. Many studies show that open space helps keep property taxes low, as it places few demands on taxpayers for services.

A major statewide Extension initiative, Strengthening New Hampshire Communities has impacted Merrimack County. Extension staff have worked with the communities in a variety of ways. Several Merrimack County towns have participated in Extension's exciting Community Profile process. A Community Profile is a tool to help community members create a vision about what they want their community to be like and then forms action groups to reach those goals. In addition Cooperative Extension provides publication notebooks for all town libraries. The Extension currently participates in a monthly radio program on WKXL providing information to the communities throughout the County. Extension information can also be obtained from the Web at ceinfo.unh.edu. Follow-up support is available from UNH Cooperative Extension staff.

Other community efforts include after school programs, teen assessment projects, wellness teams, town office visits, the Master Gardener program, working with town officials to make sure local ordinances are "agriculture-friendly" and assisting school with maintenance of athletic fields and landscaped areas.

The staff in Merrimack County includes nine Extension educators, two state specialists and three support staff. Educators reach approximately one of every four families in the county.

DANBURY TOWN WARRANT

The polls will be open from 11:00 A.M. to 7:00 P.M.

To the inhabitants of the Town of Danbury in the County of Merrimack in the State of New Hampshire, qualified to vote in Town Affairs.

You are hereby notified to meet at the Town Hall in said Danbury on Tuesday the Thirteenth day of March next, at eleven a.m. of the clock in the forenoon, to act upon the following issues:

1. To choose all necessary Town Officers for the year ensuing.

Business Meeting
Thursday, March 15, 2001 at 7:00 P.M.
at the Danbury Town Hall

2. To see if the Town will vote to raise and appropriate the sum of $673,172 which represents the operating budget. Said sum does not include individual or special articles to be addressed. (Recommended by Budget Committee—$673,172; recommended by Selectmen—$688,361)

3. To see if the Town will vote raise and appropriate the sum of $77,500 for a town-wide property revaluation, computerized software and any necessary hardware upgrade. This assessment will be conducted in 2001-2002 and is to be paid for in the following manner: $10,000 to be withdrawn from the Property Revaluation Capital Reserve Fund; $15,000 to be raised by taxation and to issue a long-term note in the amount of $52,500 for a period of three years and to authorize the Selectmen to issues and negotiate such noted and to determine the rate of interest thereon. Two-thirds ballot vote required. (Recommended by Budget Committee; recommended by Selectmen)

4. To see if the Town will vote to raise and appropriate the sum of $10,000 to be placed in the Highway Equipment Capital Reserve Fund. (Recommended by Budget Committee; recommended by Selectmen)

5. To see if the Town will vote to raise and appropriate the sum of $2,000 to be placed in the Records Preservation Capital Reserve Fund. (Recommended by Budget Committee; recommended by Selectmen)

6. To see if the Town will vote to raise and appropriate the sum of $14,455 to be placed in the Fire Department Radio Capital Reserve Fund. (Recommended by Budget Committee; recommended by Selectmen)

7. To see if the Town will vote to establish a General Government Building Major Repair Capital Reserve Fund in order to pay for extraordinary and/or unanticipated major repairs and to designate the Select-

men as agents to expend monies from this fund for the above reasons without further authorization from the Town. Further, to raise and appropriate the sum of $5,000 to be placed into this fund. (Recommended by Budget Committee; recommended by Selectmen)

8. To see if the Town will vote to discontinue the road known as Bliss Drive which begins 3.0 miles from the intersection of Waukeena Lake Road and High Street and continues for approximately 600´ on Bliss Drive to the Macuch residence. This would be done as provided for in RSA 231:43 and has been requested by Carol Macuch, owner of all land on both sides of Bliss Drive.

9. To see if the Town will vote to establish a Conservation Commission pursuant to RSA 36-A, and to authorize the selectmen to appoint three citizens as members according to RSA 36-A:3.

10. To transact any other business that may legally come before this meeting.

Given unto our hands this 23rd day of February, 2001

Selectmen of Danbury,
Steven D. Gordon, Chairman
James M. Larkin
Alfred S. Reed

BRISTOL COMMUNITY CENTER
2000 Report to the Town of Danbury

The staff of the BCC wishes everyone a Happy & Healthy New Year. This has been an exciting year at the BCC with the culmination of the Archery Range Wall Project that has waited many years to get done. We received a grant from Franklin Savings Bank for $7,500 towards this $17,500 project. JP Morrison Construction did the work and was able to tear out the wall between the property, coat the foundation, put in drainage from the back of the building to the street and rebuild the wall, all within a few days! This has made a tremendous difference. We would like to thank Franklin Savings Bank and JP Morrison Construction for making this project become a reality.

The Bristol Recreation Advisory Council is proud to announce a name change for the year 2001. The Council voted to change the name of the Bristol Community Center to the Tapply Thompson Community Center. This is to honor the two men who made the Center a reality. Reverend A. Brownlow Thompson came to Bristol in the mid-twenties as the minister for the Methodist Church. It was the dream of Reverend Thompson to have a central meeting place for all youth willing to participate in organized and creative areas of responsible activity. Rev. Thompson left the area for a number of years and during this time the Methodist and Congregational Churches united and formed the present Federated Church. The Methodist Church Building (BCC) was retained and used for church/school activities. When A.B. returned in 1942 he began to increase the use of the building for youth directed programs. Pews were often moved aside on weekdays to allow for archery and other programs. In October of 1946, the Federated Church Committee voted to underwrite the expense of hiring a full-time, paid director and whatever other expenses were necessary. Fortunately for everyone, they were able to secure the service of Richard "Wink" Tapply as the first director.

"Wink" had been a member of Rev. Thompson's Boys Club and easily assumed the role of apprentice under him. Their philosophy from the beginning was, "If one adult life is influenced for the good, it is money well spent." In his new position "Wink" spent seven days a week getting the program on its feet and building public support for the concept. Survival meant continually proving that organized activities were meaningful to the youth and helping to contribute to their future as citizens in the communities they would live in. The Community Center was extremely luck to have a man like "Wink" at the helm during those formative years. His name is known far and wide in recreation circles to this day as a father of recreation in New Hampshire. (Info taken from the *History of the Bristol Community Center* by Charles E. Greenwood—copies available at the BCC). A dedication ceremony will be held in the spring.

We want to thank the Newfound Area School District for their continued support of the BCC and its programs. We hold many of our programs and practices at the local schools to accommodate our growing numbers. We are grateful for their appreciation of the importance of Recreation in the Newfound Area.

In closing, the BCC wishes to thank the many Danbury volunteers who have donated their time and energies by working in our sports leagues, helping with a Haunted House, Santa's Village and our numerous other fund-raising and youth activities. Thank you all! We couldn't do it without you.

Respectfully submitted,
Leslie Dion
Director of Recreation

KEARSARGE AREA COUNCIL ON AGING

Kearsarge Area Council on Aging (KCOA) is a nonprofit organization which was founded eight years ago with the mission of providing services and programs for area citizens over the age of 55 (and adults under 55 who through disability may need assistance) which enhance the quality of their lives. Our service area includes the towns of Andover, Danbury, Grantham, Newbury, New London, Springfield, Sunapee, Sutton and Wilmot.

This has been an eventful year for KCOA. We have worked, under a mandate from the State, which would like to keep elders out of expensive nursing homes, to become a satellite ServiceLink to the main centers established in two counties, Merrimack and Sullivan. Where other senior centers are just beginning to organize, we are already providing almost all of the services mandated by the state. Our transportation program, which boasts over 125 volunteer drivers and logged 22,000 miles in 2000, is a model for other senior centers in the state. Other services, such as Telephone Reassurance, Friendly Visitor, Mr. Fixit, along with our position as a provider of Resource and Information, are well developed and filling an ever-increasing need. We are presently working on developing another service, providing legal advice to seniors on a pro bono basis. 2000 has also been the year for strategic planning. A committee of directors and members has been meeting monthly to finalize a KCOA Strategic Plan which will be formalized early in 2001.

Social programs are a necessity for everyone, but particularly for older people. Some of those offered at the KCOA Center on Main Street in New London are bridge (contract, duplicate and bridge for beginners), photography, quilting, painting, "In Stitches," greeting card making, Scrabble and Dominoes, chair exercises and tai chi. Our computer instruction classes are ever-popular, and our six computers are now equipped for e-mail. They are available for member use outside of regular instruction time. Such programs along with the monthly Conversations with Lunch and the Humanities Series (which this year was "No, But I Saw the Movie"), prove that seniors not only like to socialize, but to learn as well. Trips, which vary from race track to museum, have become very popular. Members, donors and others keep up with KCOA's many activities through the monthly eight-page newsletter, The Courier, 1,400 copies of which are disseminated each month.

KCOA's Outdoor Recreation For Seniors is another model program which gets 30–40 seniors outdoors for exercise once a week, be it snowshoeing or hiking, skiing or kayaking. We also offer indoor walking in winter, where participants keep track of their mileage.

Our Administrative Director, Nancy Friese, became our Executive Director this year and has been hard at work developing relationships with other centers, getting ready for our national accreditation and "tend-

ing to business," which she does so well. Our members know that they have a ready source of information and a sympathetic ear in Nancy.

We are most grateful for the continuing financial support from our nine area towns, donors to our annual fund drive, foundation grants, the sponsors of our newsletter and individual clients. Thank you all for your generosity! You will be receiving an Annual Report edition of the Courier early in February with more detailed information than is possible here.

Sincerely yours,
Judy and Hugh Chapin
Co-chairmen, Board of Directors

DANBURY COMMUNITY CENTER

Although the faces have changed at the Danbury Community Center, our enthusiasm has not. During our second year of operation, we saw an increase in our programs and a continual growth in the use of the facility.

The year 2000 programs and activities were: Aerobics, martial arts, first aid, senior luncheons and bingo, preschool playgroup, summer camp program, elementary after-school childcare, babysitting course, cake decorating class, flu shot clinics, Lake Sunapee Region Visiting Nurse Association's job fair, middle school craft day, OHRV safety class, elementary crafts and movie day, infant/child CPS, whist and cribbage card parties, movie night, pizza and game day, line dancing, town-wide yard sale, middle school dances, AA meetings, old time games at Grange Fair Day, Historical Society Appraisal Day, Boy Scout ceremony, Andover/Danbury Lions meetings, Halloween treat giveaway, Recreation Department Haunted House, town-wide potluck Thanksgiving, visit and pictures with Santa, Al-Anon, after-school open house and seven private gathering rentals.

The annual fund drive raised $4,000.00, and along with private foundation donations and frugal management, we were able to maintain and improve operations during our second year. We will continue to build new programs and events for all ages. If you have any interest in a program that is not currently offered, please let us know. Remember, the Community Center thrives on your ideas and support.

Respectfully submitted,
The Board of Directors

LAKE SUNAPEE REGION VISITING NURSE ASSOCIATION AND AFFILIATES

It seems that everywhere we look we see or read something about technology and its impact on our lives. Increasingly we communicate, shop, investigate and learn on-line. During the past year, LSRVNA has invested resources and time to educate staff so that we can use technology to its best advantage in caring for patients in their homes. Since so much of what we do involves the healing touch you might wonder why we would invest so heavily in technology. Our mission at LSRVNA is to provide home health services that will preserve the dignity and independence of those for whom we provide care. Technology is one tool that supports that mission.

Over the past year, we have spent a great deal of time preparing for a change in Medicare reimbursement going from a cost-reimburse system to a prospective payment system (PPS). This is the first major change to Medicare since it was initiated in 1965. Under PPS each patient must receive a comprehensive assessment called OASIS, a questionnaire involving over 100 questions about the patient's clinical status, functional status and need for therapy. From those questions, a payment for an episode of care lasting up to 60 days is determined. One of our major concerns was to ensure that we provided technology that would allow the nurses and therapists to collect this information, but have the time needed to actually provide care to the patient. Over the summer, all clinicians have been trained and received laptop computers. This allows the staff access to the most up-to-date information on each patient and allows administration to have the data necessary for regulatory and reporting purposes.

We have also invested in state-of-the-art technology or contracted with other providers to bring the latest in clinical advances to your home. As patients leave the hospital more quickly or have operative procedures done on an outpatient basis, more technology is needed in the home. This technology enhances patient care, improves efficiency and lowers costs. Technology can allow a terminally ill child to be at home with his family or can allow an adult needing intravenous therapy to continue going to work.

During the past year we have also invested in training and in competency assessment for our staff to ensure that their assessment and treatment skills are of the highest quality to meet patient needs. We have specialists on staff in the areas of cardiology, wound care, diabetes, pediatrics and hospice. All of our clinical staff and the support staff back at the office are committed to achieving the best outcome for each and every patient we see. We are gratified by the strong community support we receive and by the comments on our care submitted by patients and families.

In fulfilling its mission, LSRVNA provided a number of community benefits for residents of Merrimack and Sullivan counties in addition to charity care in excess of $75,000.

- Administered the Lifeline Personal Response System for 208 individuals.
- Provided weekly Parent Child Support Group sessions for 40 families, including free child care and transportation, if needed.
- Presented community education programs on CPR, first aid, Sudden Infant Death Syndrome, Caregiver Training and others.
- Trained 10 new Hospice Volunteers and provided continuing education for 16 established volunteers.
- Participated in community health fairs.
- Provided clinical experiences for 12 nursing students and special project sites and internships for nursing, business and social work students.
- Provided meeting room space for outside groups.
- Distributed weather emergency information and File of Life kits to each patient admitted to LSRVNA services.
- Provided medication assistance and preventive dental care for needy children.
- Provided storage space and distributed food for Kearsarge Food Pantry.
- Offered job shadowing opportunities for students from local high schools, technical schools, colleges and universities.
- Participated on the Merrimack and Sullivan County ServiceLink advisory boards.
- Provided vaccines free or at cost to adults in the community.
- Promoted early reading by providing a children's book to each child delivered at New London Hospital.
- Provided bereavement support groups and home visits .

During the past year 108 residents of the Town of Danbury utilized the services of LSRVNA. Our Home Care program provided 880 visits to 20 patients. The Pediatrics programs served 26 children and families. Our Long-term Care program provided 402 hours of care for 10 patients. Influenza vaccine was provided for 48 residents and Life Line services for 4 residents.

All of us at LSRVNA thank you for your support and look forward to providing home health, hospice and community services for the residents of Danbury in the coming year.

REPORT OF CEMETERY SEXTON

This year was especially gratifying to those of us who work in the cemeteries as the connecting rock was laid in the stone wall at the Riverdale Cemtery. This rock joined the end where we have been working the last few years with the original end that was started in the mid-eighties.

Since we laid the first stone, we have built walls in Riverdale and the Baptist Cemeteries that total approximately 2,300 feet.

The project was started with the help of Reggy, and in recent years Noel, Joshua, Jeremy and Andy have contributed to the task.

We continue to upgrade the condition of each cemetery and we hope you will continue to help us in this endeavor.

Flowers will be removed around the 2nd week in November and the wintertime wreaths and other decorations will be removed during the 2nd week in April.

By Spring we hope to have new signs erected in the Litchfield and Ward Hill Cemeteries.

Andrew Phelps
Cemetery Sexton

VITAL STATISTICS
for the Town of Danbury for the Year Ending December 31, 2000

Marriages

Date of Marriage	Groom's Name	Groom's Residence	Bride's Name	Bride's Residence	Town of Issuance	Place Of Marriage
